

State Income Tax Deadline April 15

Over 1,000,000 1957 State income tax returns have been filed and 2,500,000 more are expected to be filed within the next two weeks. Robert C. Kirkwood, Branch Tax Board Chairman, announced today.

Single individuals with net incomes of \$2,000 or more and

married couples with combined net incomes of \$3,500 or more must file 1957 State income tax returns, Kirkwood declared.

A recent survey shows that 200 YWCAs, following population shifts, are conducting program outside the limits of the central city or its downtown section.

HOW TO PROTECT YOUR FAMILY'S HEALTH

— WITH LICENSED PLUMBING SERVICE

"Handymanism" is for things other than plumbing. Why? Just for example: an easy error like cross connections can siphon sewage into your fresh water supply. City, county and state codes specify that all plumbing be done by an expert, licensed plumbing contractor. We follow the code to the letter. We like to think there's never been a better plumbing contractor—anywhere. And we're proud to feature the top plumbing appliances in the business—like DAY & NIGHT jetglas water heaters. For expert service at minimum cost... appliances you can rely on... please call us.

SANDY TRACKS—Footprints from a youngster's tennis shoe lead to sump at South High School, apparently made before a guard was posted to prevent children from playing in the

area because of danger of drowning. Schools have also asked parents cooperation in keeping their children away from the ponding basins. —Press Photo

Second Teenage Science Course

In response to the interest shown in the teen-age science course will continue for 10 weeks, meeting twice a week for 1 1/2 hours.

Scheduling information and interviews may be arranged by calling ORchard 4-3256.

The program helps point out the value of the academic courses offered in the public schools by showing their applications in the fields of science.

Students in the sixth to the twelfth grades are eligible to

State Board OKs Yukon School Plan

Plans for the Yukon School at 177th st. and Yukon ave. have been approved by the State Allocation Board and bids can now be called, S. E. Waldrip, assistant superintendent of the Torrance Unified School District, announced.

Bids have already been opened for the Hamilton School, while construction has started at the Calle Mayor and Jefferson Schools.

Lawmen to Enforce License Tag Law

Department of Motor Vehicles has notified traffic law enforcement agencies throughout the State that registration of vehicles for 1958 is now complete, and laws requiring display of current stickers and registration cards may be enforced.

Paul Mason, Director of Motor Vehicles, said in Sacramento: "Records of the vehicle registration renewal for this year are complete several weeks ahead of the announced date last year. When those few motorists whose registrations present unusual problems requiring further processing are stopped, they should be able to show receipts, officials correspondence, or 1958 stickers

Attorney Heads TB Association

Gerald P. Rosen, attorney and businessman, will be installed as president of the Tuberculosis and Health Association of Los Angeles County at the group's fiftieth annual luncheon meeting Tuesday at the Statler.

In his new post, Rosen will head the 1958-59 tuberculosis control program of the local Christmas Seal agency. He succeeds Elliot A. Rouff, M.D., retiring president.

indicating that they have applied for current registration." The reflectorized green sticker for 1958 must be attached to the rear license plate, and a 1958 registration card must be displayed in such a position that it may be read from outside of the vehicle, according to the State Vehicle Code.
